

*Saturday, June 28, 2008*  
*Greenhorn Creek Resort*

A benefit event for the Calaveras County Arts Council and  
Mark Twain St. Joseph's Hospital Foundation

### *Calaveras County Arts Council*

Since 1981, the Calaveras County Arts Council has worked to nurture the cultural vitality of our area. From the *Music in the Parks* free summer concerts, to the *Ovations* performing arts series, the Arts Council works to provide cultural enrichment in our community. As a resource, the Council provides artist and musician referrals, gallery lists, scholarships and event calendars. *Arts in Education* is a long standing, award winning program that brings professional artists to schools to inspire and encourage creativity. Educators are also instructed in ways to integrate the arts into regular classroom lessons. Proceeds from the Angel Auction will directly benefit this essential and popular program.

### *Mark Twain St. Joseph's Hospital Foundation*

The mission of the Mark Twain St. Joseph's Hospital Foundation is to continuously improve the health status of its community. The Foundation does this through fundraising programs, health care scholarships and community advocacy. Since 1984, the Foundation has donated over \$2,000,000 to support facility and equipment projects that have improved the health of our community. Proceeds from the Angel Auction will support the purchase of Digital Mammography Technology.
